New Virtual Machine Wizard

Welcome to the New Virtual Machine Wizard

A virtual machine is like a physical computer; it needs an operating system.
How will you install the guest operating system?

Install operating system from:

Use a physical drive:

Device:

Use ISO image:

Ubuntu 64-bit 16.04 detected.

This operating system will use Easy Install. [\(What's this?\)](#)

I will install the operating system later.
